Information to assist in respect of a Water Right Application

Cowshed or Piggery Discharge

Postal Address The Secretary
Waikato Valley Authority
PO Box 4010
HAMILTON EAST

'Natural Water' is all forms of water, water vapour, ice etc, but does not include water in any form while in any reservoir used for water supply purposes of any public authority or in any pipe, tank or cistern.

Procedure

In terms of the Water and Soil Conservation Act 1967, upon an application being received by the Regional Water Board (Waikato Valley Authority):

a) Public notification is given within 2 to 3 weeks
b) A decision is given, generally 2 to 3 months thereafter unless the receipt of an objection calls for the setting up of a Tribunal to hear both sides of the question.
