

Sublists of the Academic Word List

Each word in *italics* is the most frequently occurring member of the word family in the Academic Corpus. For example, *analysis* is the most common form of the word family analyse. British and American spelling is included in the word families, so contextualise and contextualize are both included in the family *context*.

Sublist 1 of the Academic Word List

analyse	assuming	constituent
analysed	assumption	constituents
analyser	assumptions	constituted
analysers	<i>authority</i>	constitutes
analyses	authoritative	constituting
