

International Student Overseas Medical and Travel Insurance Policy Checklist

New Zealand law requires all international students to have appropriate travel and medical insurance whilst enrolled at a New Zealand institution.

For students enrolled at Victoria University of Wellington insurance policies must comply with the guidelines set out in the Code of Practice for the Pastoral Care of International Students, and, at a minimum, also include cover for personal effects, mental illness, optical, and loss of baggage and other personal effects. Our preferred insurance policy, StudentSafe, meets the University's requirements. All other New Zealand universities also offer StudentSafe as their preferred insurance.

In accordance with the *University's requirement*, international students must have an insurance policy that meets the minimum criteria set out below. If you choose to be covered by an insurance policy **other** than the Studentsafe you **must** have your policy approved. We recommend you seek approval before you purchase the policy.

Please ask your intended insurance supplier to complete the checklist below. You must then send the complete policy wording **in English** to vi-insurance@vuw.ac.nz or Victoria International, PO Box 600, Wellington, New Zealand, for final approval. Please note:

- **You must send the full policy wording – we cannot accept brochures or Schedules of Cover.**
- You should request approval **at least two weeks** before your course start date. Any later than this, you may have to purchase that Studentsafe University policy offered by Victoria until such time as your other policy has been approved.
- We advise you request our approval of an overseas policy **before** you pay for it. If the policy is not compliant, you will need to buy another appropriate one, and you may not get reimbursed for the other policy.

Please complete this checklist before sending us the insurance policy wording for approval:

1. Name of insurer.....
2. Address of insurer
3. Your policy number (if you have one).....
