Course Delivery

Lectures are an important delivery mechanism for material in this course but it is expected that students will complement these with careful reading of the required readings. Exercises and questions for reflection and discussion presented during lectures are designed to assist the learning process and students are expected to fully engage with these. Powerpoint slides utilised during lectures will be posted on Blackboard however they are likely to be brief and are not a substitute for attendance at lectures.

Tutorials are not compulsory but they are recommended as they are specifically focused on assisting student in preparation for assessment. Students who do attend tutorials are expected to participate fully in them.

Expected Workload

For 300-level 15 points trimester courses an average student should expect to spend 10 hours per week. This includes attendance at lectures and tutorials as well as preparation, reading and writing.
