Students who successfully complete MARK 101 will have the knowledge and ability to:
1. Describe commonly used marketing concepts and terminology;
2. Summarise the main marketing tools of products and services, pricing, distribution and communications;
3. Explain social responsibility and ethics as they pertain to marketing;
4. Describe marketing in New Zealand with respect to the Pacific Basin and global perspective;

Penalties
The following penalties will be imposed:

**Late Penalty:** A penalty amounting to 10 percent of the available marks will be deducted for each day assignments are submitted after the due time unless written permission has been obtained in advance from the Course Coordinator. For example, an assignment that was graded at 78 percent, but was one day late, would be marked down to 68 percent. Reports handed in more than two days after the due date will not be marked unless an extension has been provided. These 5 deadlines also apply to electronic submissions on Turnitin. In addition, electronic files that cannot be accessed will be deemed late and will incur penalties.

**Page Limit:** Failure to adhere to the page limit will incur a penalty of 5 percent of available marks for each page over the limit.

**Plagiarism:** Any student caught plagiarising may be penalised under the Statute on Student Conduct. This Statute can be downloaded from the policy website and a link is provided below. Penalties include failing the course and suspension from University. You are strongly advised to consult the Academic Integrity and Plagiarism policy website at the link provided below. Your Marketing Report
will be submitted to Turnitin. If you have any questions regarding this critical issue and what may, or may not be permitted, see the Course Coordinator.

**Use of Turnitin**
Student work provided for assessment in this course may be checked for academic integrity by the electronic search engine [http://www.turnitin.com](http://www.turnitin.com). Turnitin is an on-line plagiarism prevention tool which compares submitted work with a very large database of existing material. At the discretion of the Head of School, handwritten work may be copy-typed by the School and submitted to Turnitin. A copy of submitted materials will be retained on behalf of the University for detection of future plagiarism, but access to the full text of submissions will not be made available to any other party.

**Extensions**: Extensions will be granted only in exceptional circumstances (e.g. illness with supporting medical documents stating the nature and length of impairment, provincial or national representative activities with supporting documents) by the MARK 101 Course Coordinator. Tutors are not authorised to grant extensions. Only the Course Coordinator should be approached. Extensions need to be arranged before the due date.

**Examinations**
Students who enrol in courses with examinations are obliged to attend an examination at the University at any time during the formal examination period, 14 June – 3 July.

**Mandatory Course Requirements**
In addition to obtaining an overall course mark of 50% or better, students must:
1. Submit the Marketing Report in a hard copy, plus electronically to Turnitin, by deadline.
2. Achieve at least 40% in the final examination.

**Class Representative**
A class representative will be elected in the first class, and that person’s name and contact details made available to VUWSA, the course coordinator and the class. The class representative provides a communication channel to liaise with the course coordinator on behalf of students.

**Communication of Additional Information**
Additional University information is available on the MARK 101 Blackboard site. Information specific to MARK 101 will be communicated in class or on Blackboard. Please check Blackboard regularly.

**Note to Students**
Your assessed work may also be used for quality assurance purposes, such as to assess the level of achievement of learning objectives as required for accreditation and academic audit. The findings may be used to inform changes aimed at improving the quality of VBS programmes. All material used for such processes will be treated as confidential, and the outcome will not affect your grade for the course.
